Initial Notice of Service Line Materials Inventory Accessibility

Bagley Public Utilities has completed and submitted our service line materials inventory to the Minnesota Department of Health. The service line inventory is publicly available and you can check the materials for your service line by visiting the Lead Inventory Tracking Tool (LITT) at <https://maps.umn.edu/LSL/> , you may also contact us at 218-694-2300, email bagleypu@bagleymn.us , or check out our website at <https://www.bagleymn.us/sewer-water> .

To complete the service line inventory, our system contracted with Karvakko Engineering to go through historical installation records as well as performing on-site field inspections to determine, to the extent possible, the types of service line materials used. Our inventory contains 0 lead, 24 galvanized requiring replacement, 133 unknown material, and 506 non-lead service lines.
